To: C League Managers
From: Ray Morris / Sam Dolinar
Subject: Schedules, Rules, Etc.

The schedule for the first 2 weeks of the C League Season is attached. The schedule for the remainder of the season will come out as soon as possible. The reason this schedule covers only 2 weeks and is so late in getting to you is because there are so many teams in the overall JPL Softball program (61!) that ERC is having trouble finding fields for all the games. One possible solution to this shortage is to create an "H7" field in the middle of area H. If we don't create this field 7 teams per week would have a "bye". Please let us know your preference between these two alternatives (Ray x 4-3918, Sam x 4-7403).

As in the past we stress the importance of getting the games started ON TIME! The games are supposed to start at 5:30 p.m. This means your team should be there and warming up early enough before 5:30 to get the game started by then. Please stress the importance of starting on time with your team members.

Another important thing to remember is to bring the permit for the field to every game. The City of Pasadena gives us a permit for all of area "H". This means you can ask anyone who is not from the JPL softball league to leave. Having the permit makes this a lot easier. We will send the permits out as soon as we get them.

Following the first organizational meeting we sent out proposed changes to the C League Rules and asked the managers to vote on them. We did not get a response from every manager, but many responded and the majority of all managers in the C league favored the changes. Attached for your convenience is a copy of the updated rules.

Equipment monitors for the first games are shown on the schedule. Currently we have only 3 equipment monitors. Depending on whether we play 3 or 4 games each day, we will need another equipment monitor. If there is not a volunteer, we may have to draft someone, so please let either of us or Sue Hoffman (x 3-5888) know as quickly as possible if you can do this.

Finally, as your C League commissioners, we would like to hear about any problems you have. This includes problems with the field (or use of it) or problems with another team (such as they were late or unsportsmanlike) or whatever. Remember, the primary purpose of the C League is to have fun!!

"C" LEAGUE RULES AND REGULATIONS

ALL LISTED RULES AND REGULATIONS CAN BE REVISED OR RESCINDED AS THE MANAGERS OF THE COMPETING TEAMS WISH, SO LONG AS THERE IS COMPLETE AGREEMENT BETWEEN THE PARTIES. SPECIFICALLY EXCLUDED ARE THE SANCTIONS AGAINST STEEL SPIKES AND UNNECESSARILY ROUGH PLAY. THESE CANNOT BE WAIVED. IT IS ALSO HOPED THAT RULE #1 IS NOT WAIVED IN ANY CASE.

1. HAVE FUN !!!
2. All rostered players appearing for a scheduled game must be assigned a spot in the batting order. No more than three (3) male players can bat in a row before a female must be inserted in the batting order. If a team cannot do this (i.e. there are fewer than 25% females in the order), then a "phantom" female must be added after every three male players. Each time a "phantom" female should come up to bat, the team will have to take an out.
3. Defensive alignments must include a minimum of three (3) female players who are assigned to positions other than catcher.
4. Teams unable to field the three required female players will be required to surrender one defensive position for each missing female up to a maximum of two positions.
5. No walks or strike outs. The 12 foot height limit of pitches will be observed. It is the pitcher's responsibility to throw "hittable" balls, and it is the batter's responsibility to swing at reasonable pitches. It is both manager's responsibility to see that no pitcher or batter unduly delays the game.
6. In all cases the general rules of slow pitch softball shall prevail, as amended by the JPL special rules, and ground rules should be determined by the respective team managers before the start of play. Umpires are assigned at the discretion of the respective team managers, and should include players familiar with general baseball and softball rules of play.
7. No standings will be kept or reported and no trophies or awards given.
8. No metal spiked shoes are allowed on the field of play at any time, including during team warm-up. After sufficient warning is given, continued violations shall result in the removal of the offending player from the game. Subsequent violations during the course of a game shall result in forfeiture by the offending team.

9. Violent sliding or body contact, such as unnecessarily blocking access to a base, is severely discouraged. All violence is severely discouraged. Any form of intimidation, unnecessary abuse, profanity, or other vulgar behavior is severely discouraged. The sanctions as noted in rule #8 (above) shall apply in the case of repeated offenses.

10. The rules of good sportsmanship, fair play, and consideration for fellow JPL employees and their families shall prevail above all else, and shall serve as the operative rules where otherwise not defined.

11. There will be field markers (cones) in the outfield at a distance of 60 feet from the nearest base. When a team has 9 or 10 players on the field, at least 3 of them must stay behind these markers until the ball is hit by a batter. When a team is fielding 8 players, 2 fielders must be behind the markers until the ball is hit. The infielders may not position themselves closer than the baselines (an imaginary line drawn between the bases). (See diagram below).

12. Teams leading by more than nine (9) runs will be required to surrender one (1) out per inning while at bat until their lead is reduced to nine (9) runs or less.
