

July 17, 1990

TO: C League Team Managers
FROM: Sam Dolinar (238-420, 4-7403) and Ray Morris (230-225, 3-0851)
SUBJECT: C League Schedule, August and September

Attached is the C League schedule for the final five weeks of the season. Almost half the scheduled games during August were requested by both managers. All of the schedule requests were accommodated on the attached schedule, except for a couple of necessary changes in the requested day-of-week (when more than three games were requested for the same day).

Notice that six teams have been assigned to a new equipment monitor (Marc Pomerantz, formerly the spare equipment monitor) for the final five weeks. Also note that another equipment monitor, Elsa Goudsmid, has been replaced by Carl Engelbrecht, but the equipment is still at the same location.

Note that there is one bye each week during August, even though we have an even number of teams. At least one of the two teams with byes each week requested not to play a game that week. We have enough fields reserved for a full schedule, and hence there is one unscheduled game date (Mondays on H1') each week in August.

Teams' enthusiasm for playing past Labor Day was mildly lukewarm at best. Only two games were requested for Labor Day week. We've reserved fields for these two games, plus four additional game dates on Wednesday and Thursday of Labor Day week, but no games are currently scheduled for these four open dates.

The eight open game dates (four in August and four during Labor Day week) are available on a first-come, first-served basis to anyone who wants them. Call Sam (4-7403) to reserve one of these dates. **Any fields not requested by C League teams before Monday, July 30, will automatically be made available to other leagues as well.**

A copy of the field permit is being mailed to you separately.
