

March 15, 1988

TO: 'C' League Team Managers
FROM: Sam Dolinar (238-420, 4-7403) and Ray Morris (230-201CV, 3-0851)
SUBJECT: Reminder — **March 25** Registration Deadline

Remember that your 1988 registration fees and paperwork are due at ERC **no later than Friday, March 25**. This is an absolute deadline — any team that is not properly registered by March 25 will not play in the JPL softball leagues in 1988.

The exact fee for 'C' League teams has not yet been fixed (pending final negotiations over fields and field costs). However, you can plan on a fee in the neighborhood of \$150 per team. If you submit \$150 to ERC along with your registration paperwork no later than March 25, you will have complied with the registration deadline. Any small adjustment that may prove necessary to the \$150 fee can be handled later. Just be sure to get your team's \$150 to ERC by March 25.

Allow a little extra time to collect the increased amount of paperwork required for this year's registration. You must submit one team registration form (filled out and signed by the manager and alternate manager) and a minimum of 15 individual registration forms (filled out and signed by each individual player). It is no longer sufficient to just submit a list of names. If you have any suggestions or special requests, please write them down on the team registration form (or its addendum for 'C' League) and submit them along with the required paperwork.

After March 25 and continuing throughout the season, you will probably add some new players not included on your initial roster. It is important that all of these players be properly registered, in order that we may have an accurate picture of your team in the softball database. You should submit additional signed individual registration forms for all new players who sign up after March 25. Submit these directly to Sam or Ray (addresses above), not to ERC.
