

April 11, 1988

TO: 'C' League Team Managers
FROM: Sam Dolinar (238-420, 4-7403) and Ray Morris (230-201CV, 3-0851)
SUBJECT: 'C' League Schedule, April 18 to June 30

The schedule for the first half of the 'C' League season is attached. The season begins this coming **Monday, April 18**, and it will continue through Thursday, September 1. A schedule for the second half of the season will be issued later. There are no byes in this year's schedule, except for holiday weeks.

This year 'C' League will be using four fields at the Rose Bowl 'Area H', denoted by 'H2', 'H3', 'H4', and 'H6'. The attached map shows the location of these fields.

All games are scheduled to **start at 5:30 pm**. This means that your team should arrive earlier than 5:30 to warm up. You should have at least 10 players (including at least 3 women) ready to start playing at 5:30.

This year's schedule was devised with the aim of matching teams of comparable strength. To do this, we had to rate each team based on managers' evaluations. Since we don't keep records in 'C' League, this is not an exact science. If your team should win (or lose) more than two-thirds of its games, it means we significantly underrated (or overrated) you. If your team is winning or losing too often, be sure to let us know and we'll give you a more appropriate schedule for the second half of the season.

This year your team will go to the same equipment monitor week after week (whenever you're the home team). Last year's system of assigning an equipment monitor for each field is not being used this year.

Both managers should bring copies of the field permit and 'C' League rules to every game. You will receive a copy of the permit and the rules in a separate mailing later this week.
