TO: C League Team Managers
FROM: Sam Dolinar (238-420, 4-7403) and Ray Morris (230-201SM, 3-0851)
SUBJECT: C League Schedule, July 5 to August 3

A schedule is attached for the five weeks immediately following the Fourth of July. There will be four additional weeks of C League play in August, and the schedule for this period will be issued at the end of this month.

Every team's schedule through August 3 includes 14 or 15 games against 14 or 15 different opponents. Each team is entitled to 3 or 4 additional games during the last 4 weeks in August. If we were to schedule these 4 weeks properly, either there would be a lot of repeated games or a bunch of games which are gross mismatches (on paper). On the other hand, a lot of good matchups have also been left off the schedule thus far. So we're giving all the managers an opportunity to "design your own schedule" for the final 4 weeks. Now that you've seen your schedule for most of the season, tell us which teams you'd like to play during the final 4 weeks. If a favorite opponent was left off your schedule, let us know. Likewise, tell us if you want to play a second game against a team you're already scheduled to play once.

On the attached form indicate which teams you'd like to play, in order of preference. We'll try to honor as many requests as possible, beginning with your top preference. We can't guarantee being able to schedule all your requests. For example, if everybody names Team X as its favorite opponent, Team X would have to play 22 games in the last 4 weeks! The highest priority will be given to matchups which are requested by *both* managers. So you should coordinate your requests with your prospective opponents' managers, and both managers should ask for the same game.

This year C League teams also have one unusual option for the last 4 weeks of the season. The new B Minor League is conducting a double elimination playoff tournament during August, and they'd like a few C League teams to participate if they want to. The number of C League entrants is limited to two or three teams. The tournament would be conducted under B Minor League rules, which are somewhat more competitive than C League rules. They call balls and strikes, and the female participation percentage is around 20% to 30%, as compared to C League's 25% to 40%. If your team is interested in playing in the B Minor tournament *in lieu of playing 4 games in August against C League teams*, let us know.
