TO: C League Team Managers
FROM: Sam Dolinar (238-420, 4-7403) and Ray Morris (230-201SM, 3-0851)
SUBJECT: C League Schedule, August 7 to August 31

A schedule is attached for the final four weeks of the C League season. Two teams indicated a preference for playing in the B Minor League tournament in lieu of playing four C League games in August. More than half of the remaining managers requested some custom scheduling for their final four C League games.

There were a total of 30 requested matchups, of which 7 were requested by both teams. The attached 4-week schedule accommodates 26 of the 30 requested games, including all 7 games requested by both teams. The remaining 18 games in the 44-game schedule were selected more or less randomly while trying to avoid duplicate matchups.

Please let us know whether your team likes the idea of custom scheduling. Right now, custom scheduling is a manual process that is much more laborious than canned, structured scheduling. If a lot of teams really appreciate the opportunity to choose their opponents, we'll try to develop some software to make the job easier. If most teams don't care much one way or the other, we'll go back to the canned schedules.
