TO: ERC Council

FROM: Sam Dolinar, <sup>♠</sup>'C' League Softball Picnic Committee

SUBJECT: Funding for the 'C' League Picnic

At last month's ERC Council meeting, the Council approved ERC funding of a picnic for 'C' League softball teams. The formula for the amount of ERC funding was set at \$3 for every \$1 ticket sold.

To this date, ERC has already advanced us an amount of \$289.50 to pay the City of Pasadena for reserving the Brookside Park picnic area on Sunday, September 13. This amount includes a refundable \$62 cleaning deposit. The remaining \$227.50 pays for a small picnic area (\$144.50) and two softball fields (\$83), on which we plan to conduct several organized activities for the picnic attendees.

The cost of the picnic area and softball fields represents a fixed expense which we are committed to pay regardless of the number of tickets sold. Therefore, we request that the Council approve a revised ERC funding formula to reflect this fixed cost. Specifically, we seek approval of a flat grant of \$227.50, plus an additional \$2.50 per \$1 ticket sold. The per-ticket subsidy of \$2.50 per person includes approximately \$2.00 for food and drinks and \$0.50 for prizes. We are estimating that the total cost of food and drinks will be about \$3.00 per person, of which \$1.00 will be covered directly by ticket sales.

TO: C-LEAGUE TEAM MANAGERS

FROM: C-LEAGUE PICNIC PUBLICITY AND TICKETS COMMITTEE

Yes, it is time for the annual rip-roaring C-League picnic.  
So, get in the mood.

Please distribute these flyers to your team members.

We encourage teams (namely team managers) to buy a block of tickets from ERC and then resell them to individual team players interested in attending the picnic. There will be no refunds for any purchased ticket but what the hell is a dollar anyway.

FROM W.H. TYLER / K.C. RENNIE SEC. \_\_\_\_\_ EXT. 4-7190  
SUBJECT "C" LEAGUE PICNIC TICKET INFORMATION

For the record, the following information is provided as an estimate of the attendance at the "C" LEAGUE picnic held on September 13, 1987. There were 170 tickets collected, approximately 22 children under the ages of 5-7 were admitted without tickets (per Sam Dolinar recommendation), 14 tickets at \$2 each were sold at the picnic and 13 people were admitted without tickets (but had witness to verify ticket purchase or some other proof - story; lost misplaced, etc.).

In summary,

tickets collected at park	170
	22
kids w/o tickets	13
tickets lost, etc.	<hr/>
	205

TOTAL

For future planning purposes, we ran out of food around 2 PM, before all had eaten! Had leftover hamburger buns, some charcoal, misc. relish, pickles, catsup and mustard. Suggest monitor/control or some how spread out food stocks to limit eating all you can too early.

Maybe should consider establishing a set period of time to serve food and then what's left over after that period could be "fair game" to be consumed by all without some going hungry without warning.

Also need to remember to keep adding charcoal to the grills during the time food is being served and cooked so we don't run out of heat before finish cooking.

all in all seemed like a good end of season picnic.

SUBJECT: Request for Reimbursement for C League Picnic

Please find attached a copy my expense receipts for the fun & games part of the subject event. The total comes to \$27.77, with tax and license and out the door.  
Please make the check payable to Jack Barengoltz, because the bank won't deal with Maddog or other eponyms and epithets.  
Thanks.
